Break up for May Half Term

Headteachers' Bulletin

It's been a wonderful end to the term. We were amazed with the Easter bonnets - they seem to get better and better every year, making our job as the judges impossible!

It's been wonderful to see so many parents participating in the various activities we have organised. From assemblies and workshops to planting trees and moving soil, your involvement has been greatly appreciated. A heartfelt thank you to all who have contributed their time and effort to support these events at the school.

We would like to wish all of our families an enjoyable Easter break. We look forward to welcoming the children back to school on Tuesday 9th April 2024.

Attendance Update

Congratulations to everyone this week! You may have noticed that attendance has been a whole school focus with reminders from leaders and class teachers. I am so pleased with the effort you've all made and what a difference we've managed to achieve. As a whole school we are currently sitting at **93.6%**, which is a little short of our whole school target of 96%. However, I truly believe that with these continued efforts, we can improve on this further in the summer term.

Next term, we're excited to introduce our new Attendance program 'Passport to Success', and we can't wait to share all the details with you. I'll be leading attendance workshops where you can learn more about this exciting program. We hope you can join us to discover how you can be part of this journey towards success.

Year 6 Easter Club

We have arranged a Maths and Reading focused Booster Club for our Year 6 pupils, which will run over the Easter holiday, from **Tuesday 2nd April to Thursday 4th April**. Each session will last 4.5 hours from 9:30 -2pm. This Booster Club will be a great opportunity for the children to work through a range of maths and reading activities tailored to help support them, addressing any gaps they still have, as well as build their confidence before their SATs tests. We thank our wonderful and dedicated staff members who are taking time out of their holidays to facilitate this for our children.

Eid

We hope that all of our families who will be celebrating Eid after the holiday are looking forward to their celebrations and wish all of our pupils and their parents and carers a happy and blessed Eid al-Fitr. School will be open to pupils as normal during the Eid period and all pupils not celebrating Eid are expected to attend every day.
